Title: And Now...the Church!

Passage: Luke 5; Matt 28

1. If you are a follower of Jesus, share quickly the path that led you to Him. What were the key parts of your story? Friend, family member, church?
2. What comes to mind when you hear the phrase 'make disciples'?
3. What headlines in the last week suggest there is a global need for the gospel?
4. Do you feel prepared to make disciples? How challenging does it sound to you? What are your roadblocks?
5. How are *you* learning to obey everything Jesus commands? Does your obedience to Jesus convey the great commission to be a command or a suggestion?
6. What is one thing you could do, beginning today, to go deeper in your experience of Jesus? What "well" could you dig to ensure you stay close to Him?
